

**Have lived in Center Grove (White River Township) since 1991**

**My previous work experience in long range planning teams, large and small group management would bring skills that would support the efforts of the Greenwood and Center Grove study group.**

**Work Experience - Jack A. Cruse**

Presently retired. Sold my business – “Cruse Enterprises, Inc.” in 2000.

I opened Cruse Enterprises, Inc. in 1993. It was a condominium property management business in Indianapolis. Managed two properties with 300+ units.

1991 – 1993 Appointed, by then Governor Even Bayh, to the position of Executive Director of the Indiana Department of Employment and Training Services (now called Indiana Department of Workforce Development).

1963 – 1991 Various management positions with AT&T and GTE (Verizon). Retired in 1991 as the Director of Employee Training for GTE’s West Area operations, based in Westlake Village, California.

1958 – 1963 Junior high school teacher – San Diego California Unified School District.

Board officer Brentridge Estates H.O.A – 1991 -1994

Board officer Heron Ridge Homeowners’ Association 2001 – 2002 and 2007

**Skills**

I am fully computer literate in an array of PC based word processing, spreadsheet, data base management, photography, and accounting applications. I quickly adapt to virtually any new software applications without formal “classes/training”.

Fully capable with small business accounting procedures and payroll software (Quickbooks).

Very comfortable with public speaking and dealing with people in a variety of business and social functions.
