

MAURER SURVEYING, INC.

PROFESSIONAL LAND SURVEYING & LAND DEVELOPMENT SERVICES

Paul Maurer - Professional Land Surveyor

Dear WRT Reorganization Committee,

I am contacting you in regards to your request for committee members. My corporation, Maurer Surveying, Inc. was established in 1992 in White River Township. Our main line of work has been completing the design and assisting with the construction of residential and commercial developments. Attached you will find my C.V. with the services offered by the company. The majority of the work we have completed is in Greenwood or White River Township including the following:

Kensington Grove Subdivision
Windsong Estates Subdivision
Forest Hills Subdivision
Sheffield Park Subdivision
West Ridge Subdivision
Abbey Villas Subdivision

Heron Ridge Subdivision
Willow Lakes Subdivision
Innisbrooke Subdivision
Berkshire Subdivision
Featherstone Subdivision
Calvert Farms Subdivision

Allen Parke Commercial (Bonefish)
PineBrook Apartments
WRT Government Building
Sugar Grove Shoppes
Emmanuel Church Expansion
Walgreens and CVS @ Smith Valley and U.S. 31

Stone Creek Restaurant Redevelopment
Devonshire Apartments
Emerson Pointe Commercial Center
Sugar Grove Animal Hospital
Mount Pleasant Church Expansion

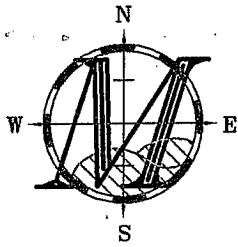

Through the years of experience of working with the City of Greenwood and the Johnson County Governmental Offices, I have acquired the knowledge of not only the utilities and infrastructure, but also of the different government agencies and their ordinances that oversee development. I thought that this experience could be geared to either the Infrastructure or Governmental Committee.

I have lived and worked in the area since 1990 and have a great interest in the growth and prosperity of White River Township. I look forward to being able to assist you in your endeavor. Thank you for your consideration and I will look forward to hearing from you.

Respectfully,

Paul Maurer, Pres.

Maurer Surveying, Inc.
