Community Objective:

I am seeking involvement in the process of shaping the future of the Greenwood and Whiteriver Communities. As a first-time home buyer nearly ten years ago I recognized the unique characteristics of the area that I have come to love in Whiteriver Township. I am looking for an opportunity to use the knowledge gained through professional development and community involvement to work with other interested community members to set a course for our neighborhoods.

Professional Skills:

Project Management

- ◆ Architectural design and construction experience
- ◆ Creation of reports for state plan review and state board of health
- ◆ Presentation of zoning variance requests in Johnson and Marion County

Building Codes/Americans with Disabilities Act/Life Safety Code .

- ◆ Building Code Consultant to the Architectural Community
- ◆ Creation of reports for ADA compliance for building owners
- ◆ Presentation of building code variances in the State of Indiana
- ◆ Good relationships with local building and fire officials

Architectural and Engineering Drafting

- ◆ Comprehension of maps and building plans
- ◆ Creation of maps and graphs and drawings for visual presentation

Current Community Involvement:

Local Neighborhood Level

- ◆ Board member of Carefree Club Association- former Grounds committee chairman, attended the meetings from the time we moved to the neighborhood, appointed by the board and elected every two years since
- ◆ Assistant Basketball Coach for local team

County Level

- ◆ Worked as Election Judge and Election Inspector in Johnson County
- ◆ Precinct Committeeman for White River 18, appointed by the County to-fill a vacant position

State/ National Level

- ◆ Member of the National Fire Protection Association
- ◆ Worked as volunteer during the last three state and national elections

Robert L. Overton
